SPECIAL EVENT

Good Clinical Practice Refresher For Inselspital Staff

Monday, 15 December 2025 | 16:30 - 19:30 | Auditorium Maurice E. Müller

swissethics requires all clinical research team members to stay current with Good Clinical Practice (GCP) and applicable ethical and regulatory standards.

This GCP Refresher Course supports Inselspital study teams by highlighting key updates in

- the 2024 Swiss ClinO revision

helping ensure compliance and readiness for modern clinical research.

Course fees

Single registration

CHF 100 per person
